OVERVIEW

Hasta Manana Transport is a dynamic and specialised company that has established itself as an industry leader. Founded on principles of reliability, efficiency, and professionalism.

Dynamic and specialised, Hasta Manana Transport is now proudly one of the leading providers of logistics services in Western Australia.

At the core of Hasta Manana Transport's operations is a commitment to provide bespoke solutions to carry oversized and/or overmass cargo.

Our company's fleet has a range of state-of-the-art vehicles and equipment capable of managing a diverse array of road transport requirements. This includes tilt trays, low loaders, drop decks, flat tops, extendable trailers, and B-double and road-train configurations.

Whatever the freight requirements, we ensure a safe and secure transport solution.

Safety is paramount to us, and we adhere to strict protocols and industry standards. Our team of experienced professionals are trained to manage complex logistics challenges and execute every project with the utmost precision and care.

Hasta MananaTransport prides itself on its ability to meet the unique needs of each client. Our tailored services include route planning, obtaining necessary permits, and providing escort vehicles for oversized loads. This comprehensive approach ensures a seamless and efficient transport experience.

We offer transport solutions for many industry sectors including construction, mining, earthmoving, energy, and infrastructure. This versatility reflects our capacity to manage projects of varying scales and complexities.

Hasta Manana Transport is proud of our history and contribution to the trucking industry. A commitment to safety, quality service, and customer satisfaction is our distinguishing feature. We are a dependable partner for all heavy haulage and transport needs.

MISSION & VALUES

Hasta Manana Transport aims to provide exceptional and reliable logistics solutions. We are dedicated to ensuring the safe, timely, and efficient delivery of goods.

To achieve this, we leverage our expertise and state-of-the-art fleet to meet the unique needs of each client. Our commitment to excellence drives us to continually innovate and improve our services, fostering strong relationships built on trust and performance.

VISION STATEMENT

Our vision is to be the leading provider of heavy haulage and transport services, nationally recognised for our unparalleled standards in safety, efficiency, and customer satisfaction.

We aim to set industry benchmarks as we continuously evolve with technological advancements and sustainable practices.

Our goal is to expand our reach, offering a comprehensive suite of logistics solutions, while maintaining our commitment to community, environment, and ethical business practices.

VALUES

- 1 SAFETY FIRST**
Prioritising our staff, customers, and the communities we serve.
- 2 INTEGRITY**
Conducting business with honesty and transparency, building trust with our clients and partners.
- 3 EXCELLENCE**
Striving for the highest standards in service delivery and customer experience.
- 4 INNOVATION**
Embracing new technologies and methods to enhance efficiency and effectiveness.
- 5 SUSTAINABILITY**
Committing to environmentally responsible practices in all aspects of our operations.
- 6 TEAMWORK**
Fostering a collaborative and supportive environment, where every employee is valued and empowered.
- 7 COMMUNITY INVOLVEMENT**
Actively engaging to support initiatives and programs.

OUR TEAM

MANAGING DIRECTOR

Murray Grime is a highly experienced and dynamic professional with extensive expertise in the logistics and transport industry. He possesses strong leadership skills, enabling him to efficiently manage a team of logistics drivers and administrative staff.

ADMINISTRATION SUPPORT

Our administration support team of professionals are crucial in the smooth functioning of our office operations.

They are responsible for a wide range of administrative tasks that support the daily activities of the company. Their contribution is essential in ensuring administrative processes run smoothly, supporting the overall efficiency and effectiveness of our operation.

MECHANICS, OPERATIONS & DRIVERS

Our heavy haulage drivers, diesel mechanics, and operations staff are specialised professionals in the industry responsible for operating heavy vehicles and transporting oversized and heavy loads. They provide excellent driving skills but also a deep understanding of vehicle maintenance, load restraint, route planning, and proficiency in assessing the weight and dimensions of equipment to ensure safe and compliant transport.

OUR SERVICES

Hasta Manana Transport is a specialised road logistics company. We provide a variety of services centred around transporting heavy machinery and oversized and/or overmass loads.

We predominantly service the mining, construction, earthmoving, rail, asphalt, and import and export industries. Our fleet and professional team cater to all tasks and provide end-to-end solutions that ensure hassle-free results every time.

Hasta Manana Transport is known for its commitment to safety, reliability, and compliance with regulations, making us a trusted partner in the road logistics industry.

HEAVY HAULAGE

We focus on transporting oversized and/or overmass equipment. We use our own specialised equipment such as multi-axle trailers, drop decks, flattops, and extendable trailers to accommodate large and complex loads.

Careful route planning is essential for smooth transport, and local or national authorities often require special permits. We take care of it all.

GENERAL FREIGHT

Versatility, efficiency, and commitment to customer satisfaction characterise our general freight transport, and we provide a vital service for businesses requiring standard transportation solutions.

LOGISTICS & PROJECT MANAGEMENT

Transporting heavy oversized or overmass loads often requires detailed planning and coordination. We provide logistics and project management services to ensure efficient and timely delivery. This includes route planning, obtaining necessary permits, and coordinating with various stakeholders.

CUSTOM SOLUTIONS

Recognising that each transportation project can have unique challenges, Hasta Manana Transport prides itself on offering tailored solutions to the specific needs of clients.

INDUSTRIES

RAIL

Our professional team have the expertise to transport essential rail maintenance equipment and heavy machinery to diverse locations. We use a diverse range of equipment to meet your site-specific requirements.

CONSTRUCTION

We specialise in transporting essential construction equipment and infrastructure materials between depot and site. No matter the size or complexity of the load, our team is equipped and ready to manage it, ensuring your project proceeds without any delays.

MINING

Navigating the challenges of transporting industrial mining equipment requires more than just strength – it demands expertise and precision. We tailor our services to meet these unique demands, offering safe, professional, and efficient transport solutions for all types of mining machinery.

We understand the importance of reducing the potential delays and downtime and ensure every piece of equipment is moved within a designated timeframe. With our deep industry knowledge and commitment to safety, we are a trusted partner for all your mining equipment transport needs.

EARTHMOVING

Transporting large and heavy machinery such as excavators, bulldozers, and tractors requires not just skill but also specialised handling procedures.

We provide premium transport services for all forms of heavy earthmoving and agricultural equipment. Our approach combines professionalism, safety, and reliability, ensuring the efficient delivery of your vital machinery.

Whether it's for a short haul or a long journey, our team is equipped to manage every aspect of earthmoving equipment transport, guaranteeing your project stays on track and moves forward smoothly.
